CONSTRUCTION ENGINEERING & INSPECTION& DESIGN REVIEW FOR DESIGN / BUILD OF 13 INTERSECTIONS

Solicitation Number S-93-11

The South Carolina Department Of Transportation (SCDOT) is seeking proposals from firms or individuals (hereinafter referred to as Consultants) capable of providing Construction Engineering & Inspection (CEI) & Design Review for the Design/Build Project of 13 intersections throughout various counties in District 1 & District 7. Work includes, but is not limited to, construction management, construction engineering, inspection, sampling, testing, construction survey verification & plan design review to determine compliance with the contract requirements & the design-builders plans & specifications. The Consultant will provide services that conform to current state policy & practice of construction engineering including certification of personnel. For this project, the performance of the services will ensure that quality materials are being incorporated into the project, ensure that quality workmanship is utilized on the project, ensure that the work of the contractor is progressing in accordance with the proposed schedule, & ensure compliance with applicable state laws regarding environmental issues. Also included in the scope of services will be tracking of time sensitive submittals & design review of contractor's plans for project compliance.

Other tasks may be added as deemed necessary by the SCDOT.

In **Consultant Selection**, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (25%), familiarity of proposed staff with SCDOT practices & procedures to include Design/Build projects (15%), past performance in utilizing DBEs (5%), DBE utilization plan (5%), responsiveness to the Department, including the availability of key staff, & the ability to mobilize quickly & meet project schedules & current workloads (25%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. The proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South

Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq. Design firms shall comply with 36.209 of the Federal Acquisition Regulations. "If the submitting CEI firm, its subsidiary and/or affiliate, is a member of the winning construction and/or design-build team, then that firm will not be selected for this CEI project. In addition, if a submitting firm's subconsultant is a member of the winning construction team, then the submitting firm shall submit to the SCDOT for approval a replacement subconsultant."

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantage Business Enterprises (DBE) on this project.

The SCDOT Has Established A Maximum Hourly Rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Room 327, at the South Carolina Department of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 327, Columbia, SC, 29201, no later than 2:00pm, November 19, 2010.

Request For A Draft Scope Of Services or other inquiries should be directed to Patti Gambill, at gambillps@scdot.org or (803) 737-2011.
